

Dear Bride and Groom-to-be,

Memories of magical moments last a lifetime and the talented performers of DeeJay Magic help to create those memories every weekend. From elegant evenings of refined entertainment to big backyard parties, we dedicate the attention of our entire company to only one couple per day.

Our full time managers will assist you with every aspect of planning your entertainment and the schedule for your day. Then, you can just sit back and let one of our professionally trained MC's handle all of your formalities as your DJ prepares to get your guests dancing! Please read on for more information about the area's premier disc jockey service!

Sincerely,  
The Performers of DeeJay Magic

We're here for you.

*Dan kept the evening flowing with great music and his wonderful personality! Many people came up to us afterwards and told us how great the music was.*

– Julie and Steve, October 15

*Your deejays were a BIG part of our wedding day success... I never met a more personable pair of people in my life and the music was fantastic. They incorporated a lot of our requests and got even got my dad dancing. He denies it, of course, but we will take a way many 'magical' memories. Thanks for the exceptionally personal service and the great job in general!*

– Mark and Samantha, December 11

*We could not have been happier. Our DJ was great and did a fantastic job!*

– Lesley Francis, November 20
